| 139th dayJune 1 last day for House to adopt CCRs <i>last day for Senate to concur in House Amendments or adopt CCRs</i> | 140th dayJune 2 Corrections only in House and Senate last day of session | NOTE 1: The house rules do not contain an express deadline for committees to report measures, but technically, this is the last day for a house committee to report a measure in order for the measure to have any chance of being placed on a house calendar. However , this deadline does not take into consideration the time required to: (1) prepare the bill analysis; (2) obtain an updated fiscal note or impact statement; (3) prepare any other paperwork required for a committee report; or (4) print the committee report for distribution to the members of the house as required by the rules. Realistically , it normally takes a full day or more for a bill to reach the Calendars Committee after the bill has been reported from committee. NOTE 2: The senate deadline for passing all bills and joint resolutions does not take into consideration the house deadline for passing senate bills and joint resolutions. Realistically , to be eligible for consideration by the house under its end-of-session deadlines, senate bills and joint resolutions must be passed by the senate and received by the house before the 130th day. | | | | |
